Phoenix Young Performers

Welcome to the Phoenix Young Performers, here are all the things you need to know to get started:

Classes

Classes are held during QLD state school terms and other dates when specifically advertised.

Class days and times are:

- **Junior** Thursday 5-6pm
- **Intermediates** Thursday 6-7pm
- **Advanced** Thursday 7-8pm

Always ensure you arrive 10 minutes before your scheduled class time please.

Class allocations are based on ability, maturity, focus and dedication to the program and are decided by the tutors. If you have any questions or concerns about allocations please talk to the tutors.

Fees & Membership

Terms One and Four cost a flat fee of \$90 for between 9 and 10 classes. This must be paid in full within at least 3 weeks of commencing classes.

Terms Two and Three have a combined cost of \$200 to participate in one of our shows.

Phoenix Annual Membership is mandatory. ALL PYP students must have a current membership before they can participate in classes. An important thing to note is that not only does membership cover your insurance in case of an accident but it also gives every member access to a wide range of benefits and discounts including a gift certificate to spend on Phoenix Show tickets.

Safety

All students need to come to class in appropriate attire. This includes fully enclosed shoes that are suitable for dancing. We ask that students not wear skirts to class as this can hinder in-class activities.

All students should bring a full water bottle with them to class.

Your child's safety is our priority. Please ensure you sign your child in and out. If you are not picking your child up or have arranged with another parent to car pool, please make us aware of these arrangements, as we cannot release your child into the care of someone without your consent.

Behaviour

We have a 3 chance behaviour agreement. If we find a student to be behaving in a way that is disruptive to the class or upsetting to another student, we will give them 3 chances.

- The 1st warning is simply that, a warning.
- The 2nd warning will involve the student being asked to sit down and not participate in the class until the tutor feels the student has regained their composure.
- The 3rd warning, will involve calling the parent of the child and requesting they be picked up from class.

New Students & Referrals

New students wishing to join are recommended to start off in our Social Class if between the ages of 7-12, or Intermediate if between 13-17. Entry into the Advanced group requires either a promotion from an existing class (for current students) or via audition for new students. Please have new students contact the tutors via our email to arrange an audition.

Annual Performances & Productions

Annual Production(s) will be held to at the end of term 3. and will aim to challenge all our students. All PYP students are guaranteed a place in the show with additional casting potentially being opened up to non-students in the community. Rehearsals will be run in and outside of class times on a Tuesday and Thursday afternoon and some Saturdays. More information will be provided once the show rehearsal schedule has been confirmed.

An Annual Performance and Awards night will be run at the end of term 4 and is an opportunity for our students to present their polished in class performance pieces to parents and friends.

Communicating with Parents

In order to make communication home quicker and simpler we have a private Facebook group and encourage all PYP parents and students to join. We will invite you to this closed group once your enrolment has been confirmed.

You can also contact us via email at ben@phoenixensemble.com.au or tianna@phoenixensemble.com.au with enquiries and questions.
